

Easy to fold
Reactive frame
Unique handles

The Carl-Oskar is the perfect rollator for the active user. Its durable frame is easy to maneuver and features ergonomic handles for a comfortable grip. With extra large wheels, it is the perfect rollator for those outdoor activities, even during snowy winters.

Outstanding Stability

The Carl-Oskar is one of Human Care's best known and best-selling rollators worldwide. It is safe and reliable and features extra-large 30cm/11" wheels that allow the rollator to roll very easily yet remain stable on virtually any surface. The Carl-Oskar is the ideal option for rural areas, even on snowy surfaces.

Unique Handles

The Carl-Oskar features unique angle adjustable handles that allow users to find the optimal handle position for comfort and stability. The ergonomic design ensures even distribution of weight for a stable grip. The Carl-Oskar can also be equipped with a one-hand brake to allow a user to control hand

functions on either the left or right hand side.

Reinforced Option

The Carl-Oskar is available in different overall widths to accommodate a wide variety of users. The reinforced models for bariatric users feature a weight capacity of 275kg/606lb. All models come with a full assortment of accessories to meet most needs and can easily be folded for storage or transport.
